Dear Sir;

I have the pleasure to write you again. Please, find the reply as file for easily reading. Also, find three illustration figures, hoping to get them easily. I will be outside home the following 20 days.

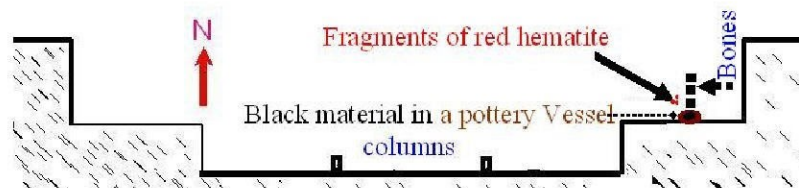

Thanks again for your comments and you are welcome. Be sure that I prize the criticized comments and I show the different opinion in my work. Last year I showed the exchanged letter between Dr. Hawas and Dr. Mark Rose in the presentation, in particular the words that concern me in the latter. Of course, you have this letter. The audiences and the readers must know that the topic is a matter of controversy.

Find also, photo of The Sphinx. It shows some details.

Please, accept my best regards..

Aly
